

Our values at work

Securing your world

Corporate Social Responsibility Report 2014

As the world's leading global integrated security company, with operations across six continents and more than 623,000 employees, G4S is one of the world's largest private employers.

G4S plays an important role in society. We make a difference by helping people to operate in a safe and secure environment where they can thrive and prosper.

Our size and scale mean that we touch the lives of millions of people across the world and our goal is to ensure that we make a positive impact on the communities in which we work.

In this report we feature the important work carried out by our colleagues that makes us proud to be securing your world.

Our values

Safety first

We prioritise safety management to protect the health and well-being of our colleagues and those around us.

Customer focus

We have close, open relationships with our customers which generate trust and we work in partnership for the benefit of our organisations.

Integrity

We can always be trusted to do the right thing.

Best people

We employ the best people, develop their competence, provide opportunity and inspire them to live our values.

Performance

We seek to improve performance year on year to create long-term sustainability.

Teamwork and collaboration

We collaborate for the benefit of our customers and G4S.

Expertise

We develop and demonstrate our expertise through our innovative approach to creating and delivering the right solution.

Printed by Park Communications on FSC® certified paper:

Park is an EMAS certified company and its Environmental Management System is certified to ISO 14001.

100% of the inks used are vegetable oil based, 95% of press chemicals are recycled for further use and, on average, 99% of any waste associated with this production will be recycled.

This document is printed on Cocoon 50 Silk; a paper containing 50% recycled fibre from genuine waste paper and 50% virgin fibre sourced from well managed, responsible, FSC® certified forests.

Designed and produced by Black Sun Plc.
