A Secure Solutions Model

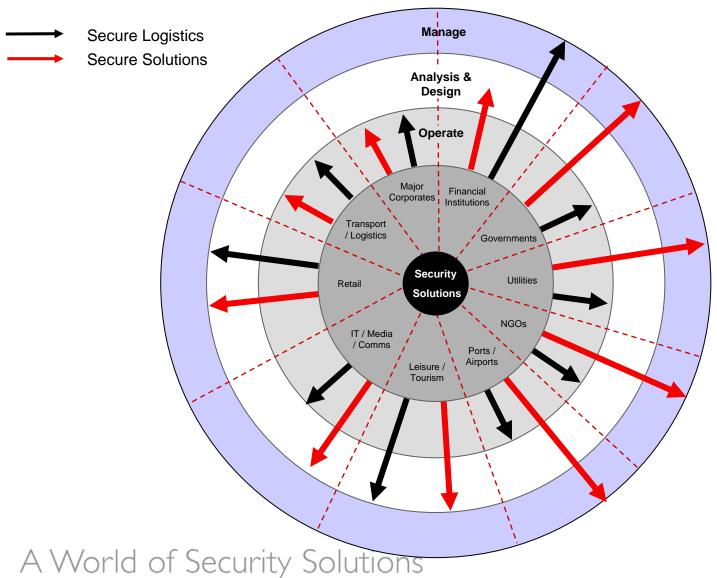

High Security Facility Outsourcing

A World of Security Solutions

Secure Solutions

General Market Opportunity

Note: New Markets opportunities could be greater due to increased geographic risk

GSL Acquisition

G4S acquires 100% of issued share capital of GSL

- Total consideration of £355 million payable in cash
 - £158 million for entire issued share capital
 - £197 million of net debt and working capital to be rolled forward
- Previously owned by Group 4 Falck prior to merger strong understanding of GSL's activities and strengths
- Acquisition provides additional expertise in key markets and geographies
- Subject to competition clearance in Europe and South Africa

The evolution of an integrated platform

1990

• Established as a part of Group 4 to offer services in immigration and criminal justice

1995

Commenced Australian operations

1996

AccuRead formed as a joint venture with British Gas Trading

2001

Commenced South African operations

2004

Acquired from Group 4 Falck by Cognetas and Englefield

2005

Acquired complete control of AccuRead

2006

Reorganised into three market-facing divisions

GSL Care and Justice Services

GSL Integrated Services

GSL Data and Managed Services

A World of Security Solutions

Strong fundamental growth drivers

Political drive towards outsourcing and increasing need for integrated services

GSL Care and Justice Services

- Shortage of prison spaces in the UK,
 South Africa, Australia and elsewhere
- Rising immigration and crime rates
- PPP and PFI schemes
- Police reforms

2006–2009 CAGR for UK public outsourcing market 10%+

GSL Integrated Services

- Ageing population and greater demand for medical facilities
- NHS reforms
- Government capital funding (BSF)
- Ageing infrastructures

2006–2009 CAGR for UK FM outsourcing market: 10%+

GSL Data and Managed Services

- Increased consumer debt
- Focus on quality service and value for money

Number of households: +1% p.a. up to 2011

Significant opportunities for the future

GSL Care and Justice Services

GSL Integrated Services

GSL Data and Managed Services

Acquisition rationale

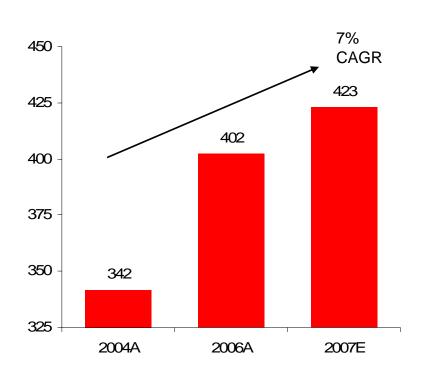

- Leading provider of outsourced care and justice services
- Opportunity to broaden secure outsourcing offering to our customers
- GSL provides additional scale to existing Justice Services activities
 - additional platform for international expansion
 - well placed to secure contract wins from the medium-term pipeline
- Potential to further develop relationships within the public sector
- Opportunity to secure a significant foothold within the secure outsourcing market
- Long-term nature of GSL contracts will underpin future revenue and profit streams
- Opportunity to expand outsourcing model to other key developed markets

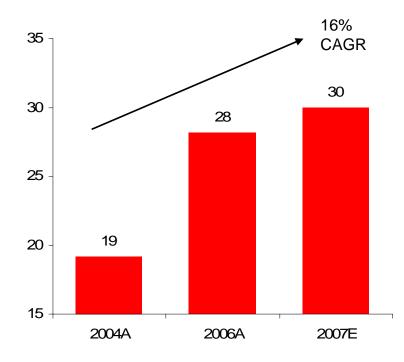

Strong track record of growth

Good visibility on future earnings due to long-term contracts

Revenue

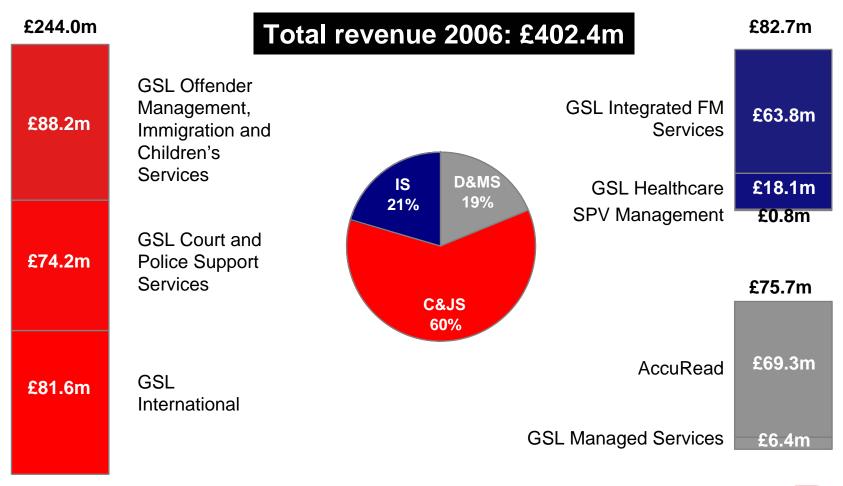

Adjusted EBITA

A World of Security Solutions

Diversified revenue streams

Financial Effects & Funding

- Not less than £7 million of synergies per annum by 2009
- Acquisition is expected to be earnings enhancing in 2008
- Exceeds group WACC within 3 years of completion
- Funded by existing cash and debt facilities
- G4S to continue with its acquisition strategy as previously announced
- Focused on acquiring additional expertise to support strategy

Strategic Upsides

Upside	Summary	
IS	IS EBITDA margin uplift	
C&JS	C&JS EBITDA margin uplift	
D&MS	AccuRead / MS EBITDA margin uplift	
Increased C&JS capability	Additional revenue growth in C&JS resulting from improved breadth of service offering and skill base	
Execution of broader outsourcing strategy	Capture of contracts in additional outsourced market segments such as enforcement and nuclear	
C&JS international market expansion	Leverage of G4S platform outside the UK	
Cross selling IS capability	Introduction of IS's FM capability to existing G4S customers - particularly in the commercial sector	
Others	Procurement, Insurance and Tax
