

MEAL VOUCHERS PROCESSING

These services are offered by G4S Cash Solutions (CZ), Inc. to business partners who wish to increase the efficiency of their employees.

- G4S is capable of processing **all types of meal vouchers** including reports preparation.
- Collection of meal vouchers can be performed **together with the collection of cash** at a particular branches of a client
- Meal vouchers are processed by means of **modern multifunctional machines**, which are capable of processing **not only meal vouchers**, but also **gift vouchers, cheques, coupons, free-time activities vouchers**.
- Consignments are processed **under permanent supervision of CCTV**.
- According to the needs of our clients, we will prepare a **well-structured report on meal vouchers processing**, which will contain, among other things, individual numbers, types of meal vouchers and potential differences.
- The whole process is finished with the consignment of the meal vouchers consolidation and their **transport to the individual meal-voucher companies**.
