

MANNED GUARDING

WHO IT IS INTENDED FOR

- » businesses in general
- » owners of middle-sized and large industrial premises, administrative buildings, warehouses and terminals, supermarkets or buildings accessible to the public

THE AIM OF MANNED GUARDING

- » By means of well-organized, professional, cost-effective, continuous and high-quality activities to minimize the possibility of in advance threats and risks to actually happen.

WHO PERFORMS MANNED GUARDING

- » The service is performed by carefully selected, screened, physically fit and uniformed and to a required level trained security workers. Employees performing manned guarding ensure prevention by their presence in the premises and at the same time they perform a lot of tasks to protect premises which cannot be protected in any other way.

GUARDING IS PERFORMED AT THE LEVEL OF:

- » a guard
- » a gate keeper
- » a roundsman – fixed posts, patrolling and inspection activities in the premises
- » receptionist
- » a security operative
- » mobile patrols
