Choose  
G4S Remote  
Surveillance and  
Response

From £999

exc. VAT Site response from £38ph

## Do you?

- Operate with high net worth assets that need constant surveillance?
- Work in an area prone to theft or burglary?
- Want to monitor your staff and customers?
- Want a security control room but can't justify the cost?

## We surveil...

- All main manufacturer CCTV Systems
- On a 24\*7 basis
- From a highly secure premises
- Using a nationwide mobile security network
- From 40 strategic hubs
- To provide professional response

## How We Do It

### YOUR SITE

We connect your CCTV to our surveillance station using the telephone network

### G4S MONITORING CENTRE

We monitor footage and take action when necessary

### G4S MOBILE RESPONSE

We dispatch a mobile support professional where necessary

We report our findings

## What it Means to You

- Peace of Mind
- Avoid the burden on staff
- Meet insurance requirements
- Reduce risks
- Save money on an in house control room
