## Group 4 Security Services, Lebanon Security Policy

### Vision

Group 4 Security Services Lebanon (G4S LB) shall manage security threats to its people, including customers, suppliers and those affected by our operations, assets, tangible and intangible, in a responsible, cost effective manner.

### Commitment

The Board of Directors has ultimate responsibility for security performance and promoting continual improvement. G4S LB and its business units are committed to:

- Respecting and adhering to international law, local law and regulations and human rights – see G4S Group Human Rights Policy
- Identifying, analysing, evaluating and treating security risks, through the application of industry best practice standards
- Applying a threat-informed, prevention based approach
- Maintaining a capability to respond and recover from security incidents
- Local community engagement and employment

### Objectives

- Analyse and understand the broad spectrum of threats to ourselves and our customers
- Minimise the likelihood and consequences of those incidents
- Monitor, measure and appraise on security performance
- Proactively investigate and correct any security issues and take action to prevent reoccurrence
- Share lessons learned among business units

### Responsibility and Implementation

Responsibility for compliance with this policy lies with the business unit Managing Director. It is also the responsibility of individuals to take ownership and responsibility for their own work. Everyone must endeavour to make themselves aware of the potential consequences and risks associated with the non compliance of this policy. Business unit will implement this policy through their documented business management system and conduct periodic audits/reviews to verify compliance and promote continual improvement.
