* G4S Integrated Security Solutions follow a risk-based, data-driven approach that combine risk consulting, hardware, software and security personnel services.
** G4S Corporate Risk Services include risk assessments, corporate investigations, intelligence programs and executive protection services.
*** G4S software and hardware security solutions are delivered by AMAG Technology, a G4S Company.

OUR VALUES

Our values are the standards we set for ourselves and are reflected in the culture of our organization through our behaviors and actions.

WE ACT WITH ... INTEGRITY AND RESPECT

Our business activities and relationships are built on trust, honesty and openness. We do what we promise and always strive to do the right thing. We listen and treat our colleagues, customers and those in our care with the utmost respect.

WE ARE PASSIONATE ABOUT ... SAFETY, SECURITY AND SERVICE EXCELLENCE

We are passionate about working safely and take great care to protect our colleagues and customers from harm. We are experts in security and use that knowledge to protect our customer's assets. We keep our promises and are passionate about delivering high levels of customer service.

WE ACHIEVE THIS THROUGH ... INNOVATION AND TEAMWORK

We invest in technology and best practices to continuously improve our products and services. We challenge ourselves to find new ways of helping our customers achieve their goals. We work as a team and value everyone's contribution to ensure we achieve the best results for our customers and business.
